Preferred method of contact: Email Phone Text

Are you a: Survivor Caregiver Medical Professional Other

OPTIONAL: Tell us in 100 words or less about your interest in thyroid cancer connection. (If you're a survivor or caregiver: What year you or your loved one was diagnosed, age at diagnosis, type of thyroid cancer and variant(s), surgery and treatments, side effects and/or complications).

We have the following volunteer opportunities (select any you are interested in):

Email: Respond to email inquiries seeking information about their thyroid cancer (We have prepared response templates for many inquiries).

Fundraising: Develop a fundraiser to benefit ThyCa. Assist others as they develop fundraisers.

Newsletter Editor: Review our twice monthly newsletters.

Newsletter Writer: Contribute content to ThyCa's Newsletters.

Social Media: Be part of the team that posts to ThyCa's social media platforms and responds to queries through the platforms.

Support Group Facilitator: Lead local in-person and/or virtual ThyCa support group meetings, either existing or new.

ThyCa Person-to-Person Network (TPPN): Respond to requestors seeking information about their thyroid cancer.

ThyCa Toll-Free Number (TFN): Respond to requestors contacting ThyCa's toll-free number seeking information about their thyroid cancer.

Video Editing: Edit annual conference videos as well as webinars throughout the year. Develop abbreviated content from lengthy videos.

Website Review: Review the website and suggest updates, changes, and content additions.

Website Webmaster: Make provided content updates to www.thyca.org.

Other: If you have other ideas on how you'd like to help ThyCa, please let us know!

Please email your volunteer form to: volunteer@thyca.org.

Thank you for providing information about yourself. We look forward to your help as a volunteer for ThyCa.
