Useful Reference Book for Patients and Caregivers

Thyroid Cancer: A Guide for Patients

Douglas Van Nostrand, M.D., Gary Bloom, and Leonard Wartofsky, M.D., Editors.

Large format. 336 pages. More than 60 photos, tables, checklists. Keystone Press, 2004.

- **In-depth reference—28 contributing authors include 18 distinguished physicians** from the multiple specialties involved in thyroid cancer care, from major centers in USA and Canada. Authors also include mental health professionals, other specialists, thyroid cancer patients, and a caregiver.
- Foreword by **Ernest L. Mazzaferri, M.D.**, Endocrinologist, 2005-2006 President, American Thyroid Association. *“You will find that this book has answers from experts and truly dedicated people who want to make your life or that of someone dear to you better....To make your own choices and decisions you need information. This book will give you that knowledge. It will give you options and will help you define your own personal choices.”*
- **Leonard Wartofsky, M.D.**, Co-Editor, is an Endocrinologist and the 2006-2007 President, The Endocrine Society, as well as Past President of the American Thyroid Association.
- **Praise:** *“This book represents a long awaited and much needed resource for patients. I will be recommending it to my patients with thyroid cancer.”* E. Chester Ridgway, M.D., Director of Endocrinology, University of Colorado; Past President, The Endocrine Society

“Patients and their loved ones will find this an authoritative, up-to-date and practical guide for overcoming the physical and emotional challenges posed by thyroid cancer.” Paul W. Ladenson, M.D., Professor & Director, Johns Hopkins Thyroid Tumor Center; Past President, American Thyroid Association

- **All proceeds above cost, from books ordered from ThyCa, help support ThyCa’s free support and education and thyroid cancer research funds.** None of ThyCa's volunteers receives any royalty, fee, or other compensation or profit from the book’s development, publishing, or distribution. We mail the book by Priority Mail. No charge anywhere in USA. For mailing to Canada or Mexico, add \$1 per book. For other countries, add \$5 per book, US dollars.

Also available from www.amazon.com and other distributors. Price from ThyCa is same as from amazon.com. For more information, see the amazon.com and ThyCa web sites.

(Note: There is a different order form for the ThyCa Spirit Items such as thyroid cancer awareness wristbands, pins, magnets, shirts, tote bags. The Spirit Items Order Form is on ThyCa web site <www.thyca.org> on ThyCa Merchandise page.)
