Welcome!

Dear Friends of ThyCa,

We are proud and honored to welcome you to our 3rd Annual ThyCa Fundraising Dinner/Auction to Benefit Thyroid Cancer Research.

Because of our successful fundraising, ThyCa proudly awarded our first and second Research Grants in 2003 and 2004, with the awardees selected by the American Thyroid Association. These are the first grants ever sponsored by thyroid cancer survivors. It is our hope that this year's Benefit will be even more successful. Research to cure all thyroid cancer is urgently needed.

Tonight we celebrate our Connections — with each other and with people everywhere whose lives have been touched by thyroid cancer. We pledge to uphold our research efforts on their behalf, and for our future, as we search for a cure for all thyroid cancer.

Thank you all for your loving, spirited, and much appreciated support. Special thanks to all of our wonderful ThyCa volunteers, our caring families, and to all of our ThyCa community at large, for their spirit of generosity. Best wishes of good health to all.
