Rally for Research 2014

Dear Friends of ThyCa,

Please join us as we celebrate our 13th Annual

THYCA RALLY FOR RESEARCH!

Thanks to everyone's wonderful generosity, we are now in our 11th year of awarding Thyroid Cancer Research Grants. In 2014, ThyCa plans to award three new grants. **Our grants are open to researchers and institutions worldwide.**

Our 2014 Research Fundraising Campaign promises to be another outstanding campaign that will unite us all across the globe with other ThyCa family and friends, as we each choose our own way of participating.

Please gather your friends, families, neighbors, support groups, or anyone else you choose, to help us continue our Research quest.

Previous successful sponsorships have included individual donations (we will be happy to mail donation envelopes to you, to share with friends and relatives); tribute gifts in honor of weddings, birthdays, and other special occasions; as well as Walks, Marathon Runs, Dinners, Golf Tournaments, Concerts, Card and Board Games, and others.

Have a new idea? We'll be happy to announce your fun and personal choice ideas on our Web Site, and invite our web site visitors to sponsor you...please keep us posted!

Check out the additional links and printed forms on our web site. If you need assistance, or have questions, just jot us an e-mail and we'll be happy to help. We wish you a fun and successful effort. We look forward to hearing all about your plan, or "your day." Please write and share your ideas and plans with all of us.

You honor people with thyroid cancer everywhere by continuing to support our dreams of finding cures for all Thyroid Cancer. Your spirit of generosity and loving support will help us all meet the urgent need for further Research on Thyroid Cancer. **Together, let us move forward in the name of Research, to ensure a brighter future for everyone affected by thyroid cancer.**

We look forward to hearing from you soon. We send you warm ThyCa thanks, wrapped with wishes for a future of good health.
