

Free CME Symposium for Medical Professionals on Thyroid Cancer Care and Research — Denver, Saturday, Oct. 18, 2014

Expert Physicians to Cover Recent Advances in Thyroid Cancer Diagnosis, Management, and Research

Rose Medical Center To Provide Continuing Medical Education Credit for Physicians

Thyroid cancer specialists from seven leading centers around the United States will present a free physicians' CME symposium, "Thyroid Cancer Care and Research," on Saturday, October 18, 2014, from 8:30 a.m. to 2:30 p.m. at the Doubletree by Hilton Denver Hotel, 3203 Quebec Street, Denver, Colorado. The symposium is being held in conjunction with the 17th International Thyroid Cancer Survivors' Conference taking place that Friday, Saturday, and Sunday.

Physicians attending the CME symposium will receive continuing medical education credits from Rose Medical Center.

Symposium speakers include:

- Bryan R. Haugen, M.D., Endocrinologist, University of Colorado School of Medicine, Colorado
- Bryan McIver, M.D., Endocrinologist, Moffitt Cancer Center, Florida
- Steven I. Sherman, M.D., Endocrinologist, University of Texas, M.D. Anderson Cancer Center, Texas
- Julie Ann Sosa, M.D., Surgeon, Duke Cancer Institute and Duke Clinical Research Institute, North Carolina
- R. Michael Tuttle, M.D., Endocrinologist, Memorial Sloan-Kettering Cancer Center, New York
- Kimberly Vanderveen, M.D., Endocrine Surgeon, Rose Thyroid and Parathyroid Center and Denver Center for Endocrine Surgery, Colorado
- Tracy S. Wang, M.D., M.P.H., F.A.C.S., Surgeon, Medical College of Wisconsin, Wisconsin

For more information about the symposium, or to register, e-mail to Shelley Froelich at Shelley.Froelich@healthonecares.com.

The program schedule is attached. It will also be posted on the web site Calendar Page of ThyCa: Thyroid Cancer Survivors' Association, Inc. (www.thyca.org).
