

Thyroid Cancer Patient Education Day

Saturday, September 26, 2015 — 1 - 5 p.m. — Dallas, Texas

FREE

Hosted by the Endocrine Surgery Committee of the American Academy of Otolaryngology—Head and Neck Surgery Foundation during its Annual Meeting & OTO EXPOSM

LOCATION: **Omni Hotel Dallas**
555 S Lamar, Dallas, Texas 75202
(215) 744-6664

We are pleased to invite you to our Patient Education Day. This free program provides a unique opportunity to network with passionate advocates and leading national experts in thyroid cancer:

MEET THE EXPERTS

- **Floyd Christopher Holsinger MD**, Stanford University, Stanford California
- **David Goldenberg MD**, Penn State, Milton Hershey Medical Center, Hershey, Pennsylvania
- **Joseph Scharpf, MD**, The Cleveland Clinic Foundation, Cleveland, Ohio
- **Michael C. Singer, MD**, Henry Ford Health System, Detroit, Michigan
- **David Rosen, MD**, Thomas Jefferson University Hospitals, Philadelphia, Pennsylvania
- **Miriam Lango MD**, Fox Chase Cancer Center, Temple University, Philadelphia, Pennsylvania
- **Ralph P. Tufano, MD, MBA FACS** Johns Hopkins University, Baltimore, Maryland

They will answer important questions, such as:

- ***Evaluation of thyroid nodules in the era of molecular biology: Please help!***
- ***Is thyroid cancer becoming more common?***
- ***I have thyroid cancer: is my family at higher risk?***
- ***Standard versus robotic thyroid surgery: Where do we stand?***
- ***What's the best way to manage the lymph nodes? Surgery?***
- ***I have thyroid cancer: Who should I see, where should I get treatment, and why?***
- ***What's my risk of recurrence? What testing do I need?***
- ***My cancer has recurred: Now what?***

Valet and self-parking available at the Omni Dallas-For additional questions call: (215) 205-2099
