Special Thanks

- To all of the wonderful people who gathered, donated, and created wonderful Auction offerings.
- To all our Dinner attendees and bidders. Your generosity is funding urgently needed thyroid cancer research.
- To our wonderful ThyCa volunteers for lending their support, dedication, and tireless efforts in so many ways, including bringing this fund-raiser to fruition.
- To our speakers, entertainment and program staff for helping to make this a very special and memorable fundraising benefit.
- To the Doubletree by Hilton Baltimore-BWI Airport for working so diligently on our behalf, and to the entire Catering Department, for working their magical powers in helping to defray costs, while also providing many extras for us.

ThyCa's Research Funding

The ThyCa community has joined together to raise funds for thyroid cancer research. Alone, one person can make a difference, but together, we have many more resources available, enabling us to make a tremendous difference!

ThyCa has two research funds. One fund supports research of follicular cell-derived thyroid cancer, including papillary, follicular, anaplastic, and variants. Our second fund supports research of medullary thyroid cancer.

ThyCa is a 501(c)(3) all-volunteer nonprofit organization, and all donations are tax deductible.

Our research grants are open to all researchers and institutions. Independent expert panels of the American Association of Endocrine Surgeons (AAES) and the American Thyroid Association (ATA) evaluate grant proposals and select the projects to be funded. The AAES and the ATA perform this crucial peer review service to ThyCa, ensuring that **100% of all money we raise goes directly into research.**

Already this year, ThyCa awarded eight thyroid cancer research grants. To date, ThyCa has awarded 68 grants totaling more than \$1.9 million for thyroid cancer to researchers in seven countries to advance progress toward ThyCa's goal of cures for all thyroid cancer.

We invite you to join us in our quest to find a cure for all thyroid cancer. Our heartfelt thanks to you for your wonderful support of ThyCa.

This Auction is the largest fund-raising event that ThyCa hosts to raise money for Thyroid Cancer Research. One hundred percent of tonight's proceeds go to ThyCa's Thyroid Cancer Research Grants.

12:00 a.m. Music and Dancing End

ThyCa Dinner/Auction Information

Thank you for joining us for the Dinner/Auction to raise much needed funds for thyroid cancer research!

This is our chance to help ourselves. Remember, the next research discovery will benefit our friends who have thyroid cancer – and could benefit YOU.

You won't receive a ticket after registering for this event. On Saturday night, when you arrive at the Auction (**outside of Conference Central**), you will receive a bid number card. This is your admission "ticket" to a night of fun and fundraising.

About the Auction, Bidding, and Picking Up Your Items:

- Bidders are encouraged to use the self check out option on your mobile phone. This will allow us to process your payment automatically after the Auctions close. Instructions will be posted and will be on each dinner table. Bidders using the self check out option will be able to pick up items once Check Out begins without standing in line.
- The Check Out table will be open at 7:00 p.m. Payment by the successful bidder may be made any time after 7:00 p.m. **Please allow 30 minutes after the close of each of the silent auctions and the Live Auction for our volunteers to process transactions.**
- Please keep in mind that Check Out is open until 10:00 p.m., so you can avoid the line and enjoy the music with friends.
- Payment in full is required this evening. You may pay by cash, check, American Express, Discover, MasterCard or Visa. You will only be able to remove the items you won after settling your account.
- You will be provided a summary of your transactions for the Auction for your review.
- You are invited to round up your night's contribution to an "even" number by adding a donation at Check Out.
- ThyCa: Thyroid Cancer Survivors' Association (hereafter "ThyCa") tries to describe all items correctly, but all items are sold "as is". ThyCa neither warrants nor represents, and shall in no event be responsible for, the correctness of the descriptions, genuineness, authorship, provenance, or condition of the property. No statement contained in this catalog or made orally at the sale or elsewhere shall be deemed such a warranty, representation, or assumption of liability for tax purposes or for general value.
- All items must be paid for, claimed, and removed Saturday night, at the close of the Auctions. Items not claimed after 9 a.m. on Sunday, October 8, 2017, will be raffled off.
- All sales are final. No exchanges or refunds unless otherwise indicated.
- ThyCa reserves the right to withdraw any item prior to bidding.
- Values set for items being auctioned are estimated by the donors and are not warranted by ThyCa for tax purposes or for general value.

After you check out, you are encouraged to return to the banquet hall for an evening of dancing and socializing with friends.

Silent Auction before the Dinner:

- A variety of donated items will be on 5 clusters of tables. Each cluster of tables represents a different Silent Auction grouping.
- Each item has a bid sheet next to it. Enter your bid by writing your bid number and your bid amount.
- The high bidder at the time each Silent Auction closes will win the item.
- The closing bid certified by an Auction volunteer will constitute the winning bid. Please do not make any further bids after the announcement that the bidding has closed for that part of the Auction.
- The Auctioneer will close each of the Silent Auctions separately. The Auctioneer will make announcements before closing each Silent Auction. You can bid on items until the Auctioneer closes each Silent Auction group.
- The proceeds from all items support ThyCa's Thyroid Cancer Research Funds. Thank you!

Dinner:

- You may sit at the table of your choice.
- At Auction registration, cards are available to put down to reserve a particular seat. Once someone has reserved a seat, please don't move their card. Thank you!
- Many people sit with people they don't know, to make new friends.
- Everyone receives the same meal unless you requested a special meal in advance.
- At the end of the Dinner, the night's festivities will begin with the Heads or Tails Game, inspirational presentations, the Live Auction and the Fund-A-Cure.

Heads or Tails Game:

- This is a quick, easy, and fun fund-raising game that takes place after we are seated for dinner.
- Your ticket to play this game is a \$20 contribution to the Thyroid Cancer Research Fund.
- **Tonight we will be playing for \$500 CASH!** Quite a victory for a meager \$20 investment.
- To play, give a volunteer \$20 or provide your bid number and \$20 will be added to your account. Each participant will be given a strand of beads to wear.
- When the Auctioneer announces that it's time to play the Heads or Tails Game, everyone wearing beads stands up.
- The Auctioneer will ask you to put your hands on your head or on your "tail".
- The Auctioneer will then flip a coin. Your hands must be on the body part the Auctioneer calls out or you will have to sit down. As an example, if the Auctioneer calls heads and your hands are on your tail, then you will need to sit down.
- Eventually, the Auctioneer will get down to one person, who wins the cash prize!

Live Auction:

- The Live Auction will include a number of exciting items that you can bid on.
- The Auctioneer will present and briefly describe an item for bidding, and then call for bids.
- If you'd like to bid, raise your bid number when the Auctioneer requests a bid amount.
- Keep your bid number up, facing the Auctioneer, until your bid is acknowledged.
- The Auctioneer will repeat the process of calling for higher bids until no one bids any more. At that time the Auctioneer will close the bidding on that item.
- The last bid number called by the Auctioneer will win the item and will owe the amount called out by the Auctioneer.
- The Auctioneer reserves the right to settle any and all disputes, complaints, misunderstandings, errors, and sales at the Auctioneer's discretion. The Auctioneer's decision will be final.

Fund-A-Cure:

- This is an opportunity to donate money to ThyCa's Thyroid Cancer Research funds, beginning with a high dollar amount and moving down to a smaller amount.
- When the Auctioneer announces the amount you would like to donate, please raise your bid number and wait until the Auctioneer reads off your number aloud before lowering your bid number.
- If the Auctioneer doesn't call out the amount you would like to contribute or you decide you would like to make a donation at Check Out, you can tell the volunteer at Check Out to increase your account balance.

Please Be Generous! Give until it helps!

Featured Guest Biographies

Kenneth D. Burman, M.D., Endocrinologist, MedStar Washington Hospital Center, Washington, DC, is Director of Endocrinology. He is a past president of the American Thyroid Association and a frequent speaker at both professional medical meetings and ThyCa events. He also is a contributing author for medical texts on thyroid cancer, as well as the patients' reference book *Thyroid Cancer: A Guide for Patients*. Dr. Burman is a member of ThyCa's Medical Advisory Council.

Douglas Van Nostrand, M.D., is a Nuclear Medicine Specialist, MedStar Washington Hospital Center, Washington, DC, and Professor of Medicine at MedStar Georgetown University Hospital. He has been involved in nuclear medicine for over 30 years, with emphasis on thyroid cancer. He has served in many leadership positions; received many awards; and authored or co-authored numerous publications for professionals and patients. He is a member of ThyCa's Medical Advisory Council.

Leonard Wartofsky, M.D., Endocrinologist, MedStar Washington Hospital Center, Washington, DC, is editor/co-editor of books for professionals and patients; professor at Uniformed Services University of the Health Sciences, Georgetown University, University of Maryland, Howard University, and George Washington University Schools of Medicine. He is also past president of The Endocrine Society and American Thyroid Association. A specialist in clinical thyroid disease with emphasis on thyroid cancer, Dr. Wartofsky has lectured across the globe. He is a member of ThyCa's Medical Advisory Council.

Ella Norlen began taking ballet classes at age 3. She is now with Maryland Youth Ballet in Silver Spring, MD. She has performed in three Kennedy Center ballets. Ella was diagnosed with thyroid cancer in January 2017 at age 13. She decided to keep her mind off the cancer by dancing, which is what she loves best. She created a choreography to the song *Radioactive* by Imagine Dragons. She hopes that others—especially children with cancer—can be inspired by her dance.

Silent Auction One

1001 Ancestry DNA Kit

Ancestry DNA Kit with a semi-annual World Explorer membership to Ancestry.com.

Donor: Ancestry.com

Donor Value: \$239.00
