### For more information, and free support services, visit www.thyca.org

- Visit our web site for more information about thyroid cancer treatment, research, and ThyCa's free support groups and other free support services, special events, and publications.
- ThyCa's web site has more than 650 pages, as well as links to more than 100 related medical web sites, organizations, and publications.
- More than 50 distinguished physician specialists, plus many other specialists, provide ongoing input and review for the web site's medical information.
- Numerous free downloadable publications are available on ThyCa's web site. These include the *Low-Iodine Cookbook*, thyroid cancer awareness flyers, fact sheets about thyroid cancer, materials in Spanish, and more.

#### How To Help

- Give Thyroid Cancer Awareness brochures to your friends and relatives. Help raise awareness of thyroid cancer and the importance of early detection, treatment, and lifelong follow-up. Tell them about ThyCa's free support services, educational events, and web site.
- Become a ThyCa Volunteer We welcome new volunteers at any time.
- Become a ThyCa Member One year \$25, Two years \$45, Lifetime \$225
- Donate to our Rally for Research 2009
- Spread the word about the
   12th International Thyroid Cancer Survivors' Conference
   October 16-18, 2009
   Boston, Masssachusetts
- To find out more, visit the "How To Help" section of our web site www.thyca.org
