

Thyroid Cancer

New York/NJ/Southern CT

Survivors' Workshop

Come and learn from physician specialists and other speakers, and learn and share with other survivors and families. This day is for people at all stages of testing, treatment, and follow-up for thyroid cancer, as well as for caregivers and friends.

Sunday, June 8, 2003 — 9:30 a.m. - 3 p.m.

FREE — New York City

Beth Israel Cancer Center. Phillips Ambulatory Care Center, 10 Union Square East, New York City, New York (*see below for directions*)

Physician Speakers: Ask A Doctor: Thyroid Cancer Treatment and Research.

Kenneth D. Burman, M.D., Endocrinologist, Director of Endocrinology, Washington Hospital Center, Washington, DC; and ThyCa Medical Advisor

David Myssiorek, M.D., Otolaryngologist, Long Island Jewish Medical Center, New Hyde Park, NY; and ThyCa Medical Advisor.

Roy Sessions, M.D., Otolaryngologist, Beth Israel Medical Center, New York City, NY

Added Speakers and Roundtables:

Gerry Gedrick, M.S.W., Relaxation Techniques for Coping with Tension, Stress, and Worries
Associated with Testing and Treatment

Christine Rice, Thyrogen Clinical Science Associate, Genzyme Therapeutics, Cambridge, MA

ThyCa Volunteers: Christine Lanotte, Abby Melendez, and Kim Repola

Survivors and Caregivers Roundtables: Living with Thyroid Cancer

Come any time after 8:30 a.m. for informal conversations with other survivors and caregivers.

You may bring your lunch or snack, or eat in the hospital cafeteria.

For more information, contact these ThyCa volunteers:

Kim Repola E-mail: NYC_NY@thyca.org Phone: 973-962-1802
