ThyCa Conference 2025

Welcome!

We are so glad you are here, either in Houston, Texas or over Zoom. We hope that wherever you are from, you will find a sense of community this weekend, meeting new friends and seeing old friends.

Session Choices

Attend any sessions you like. In Q&A time, you are welcome to share your questions or experiences. Please limit your comments so others also have time to share.

You're welcome to move quietly from session to session within the same time slot.

Please note the Session Key by Suggested Audience at the bottom of each page of the printed program. As a reminder, all sessions with an SR designation are being recorded.

If you're with us in Houston, please use the conference schedule that we are distributing in Conference Central (Forum Room). If you are with us virtually, the schedule on the conference website is current. We will identify all known changes below.
