

28th International Thyroid Cancer Survivors' Conference Schedule
Friday, September 26, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
	7:45 a.m. – 5:00 p.m. CDT			
	In-person registration opens in Conference Central.		Forum	All
	8:00 – 8:50 a.m. CDT			
101	How to navigate the conference in-person.	Abby Melendez, ThyCa Volunteer	Ballroom A	All, IP
102	How to navigate the conference in-person.	Dana Freedman, ThyCa Volunteer	Concorde A&B	All, IP
103	Get “schooled”: Educational accommodations and advocacy for children diagnosed with thyroid cancer.	Pam Mendenhall, LISW, ThyCa Pediatric Support Moderator	San Felipe	Ped, SR, VP
104	How to navigate the conference virtually.	ThyCa Volunteer	Westheimer	All, VO
105	Caregivers roundtable.	Michael Johnson, and Miguel Melendez, ThyCa Volunteers	Concorde C	All
	9:15 – 10:15 a.m. CDT			
111	The ABCs of papillary and follicular thyroid cancer and variants: Understanding key terms, concepts, and initial diagnostic and treatment steps.	Sarika N. Rao, DO, Endocrinologist	Ballroom A	All, SR, VP
112	Anti-obesity drugs and thyroid cancer.	Sonya Khan, MD, Endocrinologist	Concorde A&B	All, SR
113	The “I’m Fine” Club: How Caregivers Can Reset When Life Feels Unravelled. Caregivers say “I’m fine” more than they mean it and it costs them energy, focus, and wellbeing. Uncover what’s hiding behind those two words and learn a simple 3-step strategic reset to help you feel more in control, even on the hardest days.	Charlotte A. Bayala, E-RYT, YACEP, ThyCa Volunteer	San Felipe	All
114	What to expect at the conference and Q&A.	Abby Melendez, ThyCa Volunteer	Westheimer	All
115	Roundtable: Discussion for people with radioactive iodine resistant (RAI-R) thyroid cancer.	Beth Holliday, and Valronica Scales, PhD, ThyCa Volunteers	Concorde C	Adv, H, PF,VP
	10:25 – 10:35 a.m. CDT			
121	Welcome and announcements.	Gary Bloom, ThyCa Executive Director	Ballroom A	All
	10:45 – 11:45 a.m. CDT			
131	Roundtable: Disparities in Cancer Care: What’s race and ethnicity got to do with it?	Valronica Scales, PhD, ThyCa Volunteer	Ballroom A	All
132	Open-microphone roundtable: Getting to know each other.	Carol DiFelice, and Theresa Wickerham, ThyCa Volunteers	Concorde A&B	All

28th International Thyroid Cancer Survivors' Conference Schedule
Friday, September 26, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
133	Medullary thyroid cancer roundtable: Getting to know each other – Part 1.	Sarah Mountford and Kelley Pratt, ThyCa Volunteers	San Felipe	M, IP
134	Anaplastic and poorly differentiated thyroid cancers open-microphone roundtable: Getting to know each other.	Jean Baker & Patti Turner, ThyCa Volunteers	Westheimer	A
135	Open-microphone roundtable: Getting to know each other.	Abby Melendez, ThyCa Volunteer	Concorde C	All, IP
136	Pediatric thyroid cancer open-microphone roundtable: Getting to know each other.	Pam Mendenhall, ThyCa Volunteer	Richmond	Ped, VP
137	Open-microphone roundtable for our virtual audience: Getting to know each other.	ThyCa Volunteers	Zoom	All, VO
138	Medullary thyroid cancer open-microphone roundtable for our virtual audience: Getting to know each other.	ThyCa Volunteers	Zoom	M, VO
12:15 – 1:15 p.m. CDT				
141	Understanding thyroid hormone replacement therapy. A discussion about preparations, dosing, monitoring and TSH targets.	Maria Papaleontiou, MD, Endocrinologist	Ballroom A	All, SR, VP
142	I've had surgery followed by radioactive iodine. Now I have non-avid (RAI resistant) disease. Do I start systemic therapy or do we watch my disease?	Naifa L. Busaidy, MD, Endocrinologist	Concorde A&B	Adv, AYA, H, Ped, PF, SR
143	Medullary thyroid cancer roundtable: Getting to know each other – Part 2.	Sarah Mountford and Kelley Pratt, ThyCa Volunteers	San Felipe	M
144	Navigating the noise – how to find credible thyroid cancer information.	Becky Johnson ThyCa Volunteer	Westheimer	All
145	A discussion about the importance of precision medicine in advance of systemic therapy.	Marcia S. Brose, MD, PhD, FASCO, Oncologist	Concorde C	Adv, AYA, H, N, Ped, PF, SR, VP
146	Haga sus preguntas al médico en español.	Carlos S. Duque, MD, Cirujano de Cabeza y Cuello	Richmond	All, VP
1:45 – 2:45 p.m. CDT				
151	Life after thyroid cancer: Worry less, sleep more, and feel better.	Elizabeth C. Conti, PhD, Licensed Clinical Psychologist, and Catherine R. Powers-James, PhD, Licensed Clinical Psychologist	Ballroom A	All, SR

28th International Thyroid Cancer Survivors' Conference Schedule
Friday, September 26, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
152	Surgical complications: Voice issues and other problems.	David Myssiorek, MD, FACS, Otolaryngologist, and Holly Reckers, BM, MA, CCC-SLP, Speech-Language Pathologist and Singing Voice Specialist	Concorde A&B	A, Adv, AYA, H, PF, SR, VP
153	Medullary thyroid cancer: What every patient and caregiver should know about it.	Mimi I. Hu, MD, Endocrinologist	San Felipe	M, SR
154	Hereditary non-medullary thyroid cancer, and family communication about hereditary conditions.	Catherine B. Skefos, MA, MS, Genetic Counselor	Westheimer	Adv, AYA, PF, SR
155	Oncocytic thyroid cancers (formerly Hurthle cell) – these are NOT papillary or follicular thyroid cancers. Where is the research going in this disease and what has been done so far?	Lindsay A. Bischoff, MD, Endocrinologist	Concorde C	Adv, AYA, H, N, Ped, SR, VP
156	The Sweetest Pause: A Guided Chocolate Meditation. This session invites participants to slow down, connect with their senses, and be fully present ... with a piece of chocolate. This practice shows how everyday pleasures, when savored, can become powerful moments of self-preservation.	Charlotte A. Bayala, E-RYT, YACEP, ThyCa Volunteer	Richmond	All
3:15 – 4:15 p.m. CDT				
161	Evidence-based, Integrative Strategies To Optimize Outcomes in Thyroid Cancer.	Meroe B. Morse, MD, ABoIM, Integrative Medicine Physician	Ballroom A	All, SR
162	Your mouth, salivary glands, and teeth: Preventing and solving issues caused by treatments, including radioactive iodine and/or external beam radiation.	Ruth A. Aponte-Wesson, DDS, MS, FACP, FAAMP, Oral Medicine Specialist, and Mark S. Chambers, DMD, MS, Oral Medicine Specialist	Concorde A&B	All, SR
163	Medullary thyroid cancer: The spectrum of treatments.	Mimi I. Hu, MD, Endocrinologist	San Felipe	M, SR
164	Skeletal consequences of thyroid cancer and its treatment.	Theresa A. Guise, MD, Bone Expert	Westheimer	A, Adv, AYA, H, M, Ped, PF, SR
165	Ask a doctor your questions about anaplastic thyroid cancer.	Ramona Dadu, MD, Endocrinologist	Concorde C	A, SR
166	Discussion about thyroid cancer surgery and calcium management in children.	Ari J. Wassner, MD, Pediatric Endocrinologist	Richmond	Ped, SR, VP
4:45 – 5:45 p.m. CDT				
171	Roundtable: Discussion on healthy activities and challenges during survivorship including diet, exercise and nutrition.	Aime T. Franco, PhD, Researcher	Ballroom A	All

28th International Thyroid Cancer Survivors' Conference Schedule
Friday, September 26, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
172	Long-term effects of radioactive iodine and external beam radiation on oral health. A discussion with people who have teeth that fracture, the pain that comes with that, short-term remedies while waiting for professional intervention, and long-term remedies to prevent subsequent oral severe complications.	Ruth A. Aponte-Wesson, DDS, MS, FACP, FAAMP, Oral Medicine Specialist, and Mark S. Chambers, DMD, MS, Oral Medicine Specialist	Concorde A&B	All, SR
173	Hereditary conditions related to medullary thyroid cancer, and family communication about hereditary conditions including MEN syndrome.	Catherine B. Skefos, MA, MS, Genetic Counselor	San Felipe	M, SR
174	Telehealth without borders.	Moderator: Gene Dorio, MD, MS, ThyCa Volunteer. Panelists: Robin Clough, ThyCa Volunteer, Helen K. Hughes, MD, MPH, Shannon MacDonald, MD, Radiation Oncologist, and Caleb R. Trotter, JD, Attorney	Westheimer	All, SR, VP
175	Nonsurgical treatment options for both primary and recurrent papillary thyroid cancers.	Moderator: Jennifer Holkem, SYT Founder. Panel: Jennifer H. Kuo, MD, MS, FACS, ECNU, Endocrine Surgeon, and Vaninder K. Dhillon, MD, FACS, Otolaryngologist	Concorde C	All, SR, VP
6:00 – 7:00 p.m. CDT				
181	Reception: Informal social time with refreshments. Door prizes and raffle drawing to raise funds for thyroid cancer research.	Host: Gary Bloom, ThyCa Executive Director	Ballroom C	All, IP
7:00 – 10:00 p.m. CDT				
191	Dinner on your own or with groups. Look for the sign-up lists for various groups on the message board in Conference Central.		Forum	All, IP
192	Anaplastic thyroid cancer meet-up.	Hosts: Jean Baker, Patti Turner, ThyCa Volunteers	Hotel Lobby	A, IP
193	“Meddie” (medullary thyroid cancer) meet-up. Join in the fun.	Host: Kelley Pratt, ThyCa Volunteer	Ballroom C	M
194	Young adults meet-up. Conversation and games for people ages 18-39.	Host: TBD	Post Oak	AYA
195	Anaplastic thyroid cancer virtual meet-up.	Zoom Host: ThyCa Volunteer	Zoom	A, VO
9:00 – 10:00 p.m. CDT				

**28th International Thyroid Cancer Survivors' Conference Schedule
Friday, September 26, 2025**

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
199	An update on the state of advanced thyroid cancer management in Australia.	Matti Gild, BSc, MBBS, PhD, FRACP, Endocrinologist, and Bruce Robinson, MD, Endocrinologist	Concorde C	Adv, AYA, H, N, PF, Ped, SR, VP

28th International Thyroid Cancer Survivors' Conference Schedule
Saturday, September 27, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
	7:45 a.m.-5:00 p.m. CDT			
	In-person registration opens in Conference Central.		Forum Room	All
	8:00 – 8:50 a.m. CDT			
201	De-escalation strategies for low-risk thyroid cancer including decreasing extent of surgery or non-surgical options such as ablation.	Victoria E. Banuchi, MD, MPH, Otolaryngologist	Ballroom A	AYA, H, N, Ped, PF, SR
202	Your questions about papillary, follicular, and oncocytic (formerly Hurthle Cell) thyroid cancers and what is new in 2025: questions answered by a doctor.	Valentina D. Tarasova, MD, Endocrinologist	Concorde A&B	Adv, AYA, H, N, Ped, PF, SR
203	Medullary thyroid cancer roundtable: Welcoming people who weren't able to join us yesterday, and clarifying any confusion from day 1.	Kelley Pratt, ThyCa Volunteers	San Felipe	M
204	Advanced thyroid cancer: thinking outside the box!	Priyanka C. Iyer, MD, Oncologic Endocrinologist	Westheimer	Adv, AYA, H, N, Ped, PF, SR, VP
205	Integrative medicine in thyroid cancer care: Bridging evidence-based therapies with whole-person healing.	Beena Patel, MSc, PA-C, Certified Yoga Teacher	Concorde C	All, VP
206	The awesome challenges of caregiving.	Michael Johnson, and Miguel Melendez, ThyCa Volunteers	Richmond	All
	9:15 – 10:15 a.m. CDT			
211	An overview of the new American Thyroid Association guidelines for differentiated thyroid cancer (papillary, follicular, and oncocytic [formerly Hurthle Cell] thyroid cancer).	Julie Ann Sosa, MD, MA, FACS, FSSO, Surgeon	Ballroom A	All, SR
212	The ABCs of papillary and follicular thyroid cancer and variants: Understanding key terms, concepts, and initial diagnostic and treatment steps.	Brenna Newfell, MSN, FNP-BC, Nurse Practitioner, and Theodora Pappa, MD, PhD, Onco-Endocrinologist	Concorde A&B	All, SR
213	Medullary thyroid cancer research highlights from the past year: What the science means for patients.	Elizabeth G. Grubbs, MD, Surgeon	San Felipe	M
214	Overview and discussion about thyroid cancer, fertility, and pregnancy.	Brittany McKelvey, PhD, ThyCa Volunteer, and Kaniksha Desai, MD, ECNU, Endocrinologist	Westheimer	All, SR, VP
215	From Ice Water to Insight: A Caregiver Story Circle. Sometimes it's the smallest moments—a glass of ice water at 3 a.m.—that crack open the emotions you've been holding in. Connect with others who understand, to help you name and release the hidden weight of caregiving.	Charlotte A. Bayala, E-RYT, YACEP, ThyCa Volunteer	Concorde C	All

28th International Thyroid Cancer Survivors' Conference Schedule
Saturday, September 27, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
10:25 – 10:35 a.m. CDT				
221	Welcome and announcements.	Gary Bloom, ThyCa Executive Director	Ballroom A	All
10:45 – 11:45 a.m. CDT				
231	Living with thyroid cancer.	K. Elaine Thrift, MSN, APRN, FNP-BC, CDCES, ADM-BC, Nurse Practitioner	Ballroom A	All, SR
232	The team approach to thyroid cancer management.	Michelle S. Mullin, RN, BSN, Nurse Navigator, Brenna Newfell, MSN, FNP-BC, Nurse Practitioner, and Theodora Pappa, MD, PhD, Onco-	Concorde A&B	All, SR
233	A discussion about Medullary Thyroid Cancer including what options are available if the disease advances.	Sarimar N. Agosto Salgado, MD, Oncologic Endocrinologist	San Felipe	M, SR
234	Living with hypoparathyroidism.	Ruchi Gaba, MD, FACE, FEAA, Endocrinologist, and Sarah C. Oltmann, MD, Endocrine Surgeon	Westheimer	All, SR
235	Voice and swallow outcomes after thyroid cancer surgery.	Vaninder K. Dhillon, MD, FACS, Otolaryngologist	Concorde C	A, Adv, AYA, H, Ped, PF, SR
236	Anaplastic thyroid cancer get together.	Jean Baker & Patti Turner, ThyCa Volunteers	Richmond	A
12:15 – 1:15 p.m. CDT				
241	Long term management of papillary and follicular thyroid cancer after surgery. The use of Thyrogen® versus T4 withdrawal to prepare for radioactive iodine treatment or scans and/or for stimulated thyroglobulin testing, with or without scans. How should I be followed and for how long?	Sarimar N. Agosto Salgado, MD, Oncologic Endocrinologist	Ballroom A	Adv, AYA, H, N, Ped, PF, SR, VP
242	An individualized approach to thyroid hormone replacement for thyroid cancer patients.	Kaniksha Desai, MD, ECNU, Endocrinologist	Concorde A&B	All, SR, VP
243	Medullary thyroid cancer: Considerations before, during, and after surgery.	Mark E. Zafereo, MD, Head & Neck Surgeon	San Felipe	M, SR
244	Poorly differentiated thyroid cancer roundtable: You're not alone.	Julie Martwick, ThyCa Volunteer	Westheimer	A, Adv, PF

28th International Thyroid Cancer Survivors' Conference Schedule
Saturday, September 27, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
245	Am I a candidate for a non-surgical treatment option? A discussion about thermal ablation procedures.	Jennifer Holkem, SYT Founder, and James W. Suliburk, MD, FACS, Endocrine Surgeon	Concorde C	All, SR, VP
246	Roundtable: Molecular testing, especially for people who haven't been tested yet.	Aime T. Franco, PhD, Researcher	Richmond	All, SR
1:45 – 2:45 p.m. CDT				
251	Recurrent and persistent disease - what do you do? The role of the multi disciplinary team. A joint session with the American Association of Endocrine Surgeons.	Moderator: Sarah C. Oltmann, MD, Endocrine Surgeon. Panelists: Aarti Mathur, MD, PhD, FACS, Endocrine Surgeon, Theodora Pappa, MD, PhD, Onco-Endocrinologist, James W. Suliburk, MD, FACS, Endocrine Surgeon, and James Wu, MD, Endocrine Surgeon	Ballroom A	All, SR
252	Systemic therapies in advanced radioactive iodine refractory (non-avid, RAI-R) differentiated thyroid cancer.	Thomas J. Roberts, MD, MBA, Medical Oncologist	Concorde A&B	A, Adv, AYA, H, Ped, PF, SR, VP
253	Update in medullary thyroid cancer clinical trials.	Mark E. Zafereo, MD, Head & Neck Surgeon	San Felipe	M, SR
254	Discussion about the low-iodine diet.	Kelly Ciestak and Becky Johnson, ThyCa Volunteers	Westheimer	Adv, AYA, H, N, Ped, PF, SR, VP
255	Transitions of care from pediatric/AYA to adult team during survivorship.	Melanie Goldfarb, MD, MSc, FACS, FACE, Endocrine Surgeon	Concorde C	AYA, VP
256	Haga sus preguntas al médico en español.	Maria E. Cabanillas, MD, Endocrinólogo Oncológico	Richmond	All
2:00 – 4:00 p.m. CDT				
259	Paws for therapy!	Casey, Artemus (Artie), and Callie	Ballroom Foyer	All
3:15 – 4:15 p.m. CDT				
261	A comparison of tissue testing assays from a medical and scientific point of view.	Eduardo Castro Echeverry, MD, Pathologist	Ballroom A	All, SR

28th International Thyroid Cancer Survivors' Conference Schedule
Saturday, September 27, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
262	The role of endocrine disruptors in thyroid cancer and how to reduce your exposure.	Aarti Mathur, MD, PhD, FACS, Endocrine Surgeon	Concorde A&B	All, SR
263	Treatment of medullary thyroid cancer after progression on established treatments: options and emerging therapies.	Thomas J. Roberts, MD, MBA, Medical Oncologist	San Felipe	M, SR, VP
264	Update on treatment of anaplastic thyroid cancer.	Maria E. Cabanillas, MD, Oncologic Endocrinologist	Westheimer	Ped, SR
265	How we approach thyroid cancer management in pediatric thyroid cancer.	Luz E. Castellanos, MD, Pediatric Endocrinologist	Concorde C	Ped, SR
266	Genetic/Molecular testing: What it tells us and more importantly what it doesn't! This will include an introduction to germline mutations versus somatic mutations.	Aime T. Franco, PhD, Researcher	Richmond	All
4:45 – 5:45 p.m. CDT				
271	Roundtable: Discussion about rare fusions in thyroid cancer.	Aime T. Franco, PhD, Researcher, and Julie Martwick, ThyCa Volunteer	Ballroom A	Adv, AYA, H, N, Ped, PF
272	Immunotherapy and immunotherapy combinations with targeted therapy in follicular cell-derived thyroid cancers.	Jochen H. Lorch, MD, MSc, Medical Oncologist	Concorde A&B	A, Adv, AYA, H, M, Ped, PF, SR
273	Simultaneously targeting three distinct antigens as a potential path to cure medullary thyroid cancer.	Tim A. Erickson, PhD, Cancer Immunologist	San Felipe	M, SR, VP
274	Lighten the Load: A Guided Release for Caregivers. This session offers a calming, creative reset designed to help participants process the morning's conversations and let go of what they don't need to carry forward.	Charlotte A. Bayala, E-RYT, YACEP, ThyCa Volunteer	Westheimer	All
275	Considerations in treatment of advanced pediatric thyroid cancer, including clinical trials.	Priya Mahajan, MD, MS, Pediatric Oncologist	Concorde C	Ped, SR
5:45 – 9:00 p.m. CDT				
281	ThyCa Dinner/Auction to Raise Funds for Thyroid Cancer Research.	Host: Gary Bloom, Executive Director		IP
	Silent Auction, begins at 5:45 p.m. CDT		Ballroom B	
	Dinner, seating begins at 7:00 p.m. CDT		Ballroom C	
	• Tickets required			
	• Speaker: John Coffman			
	• Honorees: Gilbert J. Cote, PhD (Posthumously), Elizabeth G. Grubbs, MD, Mimi I. Hu, MD			

28th International Thyroid Cancer Survivors' Conference Schedule
Saturday, September 27, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
	• Cash bar			
	9:00 – 12:00 a.m. CDT			
291	Music and dancing for all conference attendees.	DJ: Pablo Chaglasian	Ballroom B	IP

28th International Thyroid Cancer Survivors' Conference Schedule
Sunday, September 28, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
	7:30 – 8:20 a.m. CDT			
300	Coffee and muffins with an endocrine surgeon: An informal Q&A about any thyroid cancer related questions you may have.	James Wu, MD, Endocrine Surgeon	Ballroom A	All
	8:15 a.m.-2:00 p.m. CDT			
	In-person registration opens in Conference Central.		Forum Room	All
	8:30 – 9:30 a.m. CDT			
301	Neoadjuvant therapy in thyroid cancer. What does this mean to me as the patient?	Sarah Hamidi, MD, FRCPC, Oncologic Endocrinologist, and Anastasios Maniakas, MD, PhD, FRCSC, Otolaryngologist	Ballroom A	All, SR
302	Roundtable: Tips and tricks for managing anxiety and distress for thyroid cancer survivors.	Alaina L. Carr, PhD, Clinical Psychologist	Concorde A&B	All
303	Medullary thyroid cancer roundtable: Questions as we begin day 3.	Karen Geisenberger, ThyCa Volunteer	San Felipe	M
304	Ancestral healing and thyroid health: Exploring the emotional dimensions of cancer care.	Beena Patel, MSc, PA-C, Certified Yoga Teacher	Westheimer	All, VP
305	Why should I attend a support group?	Abby Melendez, ThyCa Volunteer	Concorde C	All, SR
	9:40 – 9:50 a.m. CDT			
311	Welcome and announcements.	Gary Bloom, ThyCa Executive Director	Ballroom A	All
	10:00 – 11:00 a.m. CDT			
321	Being your own patient advocate. Do I have the right medical team for my situation? Should I consider getting a second opinion? Do I need an oncologist for my care?	Trisha D. Cubb, MD, Oncologic Endocrinologist	Ballroom A	All, SR
322	Navigating health insurance and finances.	Laura Beilke, Esq, Cancer Rights Attorney	Concorde A&B	All, SR
323	Re-engineering the immune system to treat cancer.	Samer A. Srouf, MB, ChB, MS, Stem Cell Transplantation and Cellular Therapy Specialist	San Felipe	All, SR

28th International Thyroid Cancer Survivors' Conference Schedule
Sunday, September 28, 2025

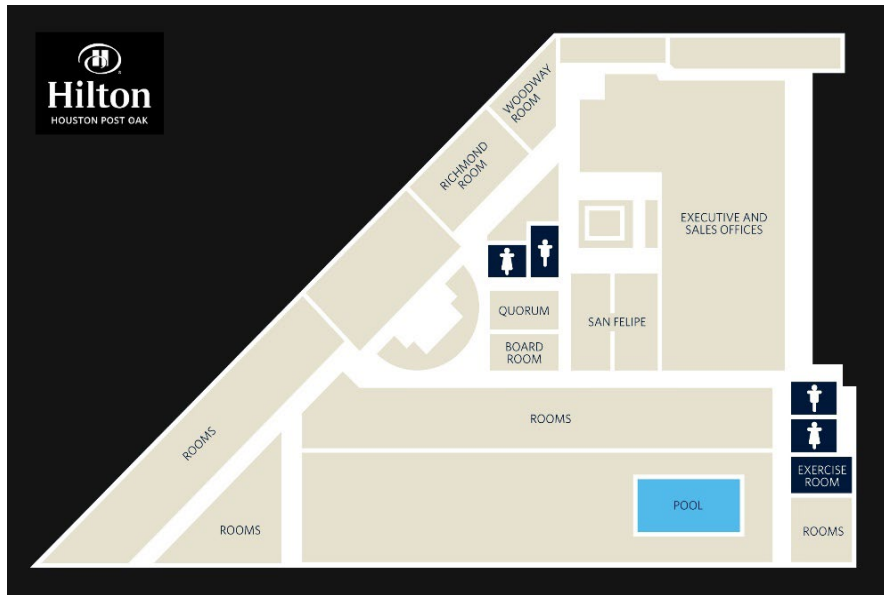

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
324	Doing the right surgery for the individual, choosing surveillance, lobectomy, or more significant surgery.	Jennifer R. Wang, MD, PhD, ScM, FRCSC, Otolaryngologist	Westheimer	All, SR
325	Roundtable: Learn about volunteering with ThyCa. This session will answer your questions about becoming a support group facilitator, a toll-free number volunteer, ThyCa Person-to-Person volunteer, or a social media volunteer.	Abby Melendez, ThyCa Director of Support Groups, and Valronica Scales, PhD, ThyCa Volunteer	Concorde C	All
11:30 a.m. – 12:30 p.m. CDT				
331	Radioactive iodine therapy, imaging, and redifferentiation therapy.	Robert Flavell, MD, PhD, Nuclear Medicine Physician	Ballroom A	Adv, AYA, H, N, Ped, PF, SR, VP
332	A discussion about body image and sexual health after a thyroid cancer diagnosis and treatment.	Wendy Girbach, MSSW, LCSW-S, OSW-C, Clinical Social Worker	Concorde A&B	All
333	Long term management of medullary thyroid cancer after surgery – how should I be followed and for how long?	Theodora Pappa, MD, PhD, Onco-Endocrinologist	San Felipe	M, SR
334	The awesome challenges of caregiving.	Michael Johnson, and Miguel Melendez, ThyCa Volunteers	Westheimer	All
339	Patient & Family Roundtable: Living with Graves' disease, thyroid eye disease, and Hashimoto's thyroiditis. Share your personal experience or stop by to get resources for a loved one! Satellite discussion hosted by the Graves' Disease & Thyroid Foundation.	Kimberly Dorris, Executive Director, Graves' Disease & Thyroid Foundation	Zoom	All, VO
1:00 – 2:00 p.m. CDT				
341	Ask a doctor your questions about papillary and follicular thyroid cancer: Creating clarity before you go home.	Trisha D. Cubb, MD, Oncologic Endocrinologist, and Theodora Pappa, MD, PhD, Onco-Endocrinologist	Ballroom A	Adv, AYA, H, N, Ped, PF, SR
342	Neoadjuvant therapy in BRAF Wildtype (Negative) Anaplastic Thyroid Cancer.	Siddharth Sheth, DO MPH, Medical Oncologist	Concorde A&B	A, SR, VP
343	Answering any last questions about medullary thyroid cancer.	ThyCa Volunteer	San Felipe	M
344	Throwing off the groove: Consequences of locally invasive thyroid cancer.	Julia Diersing, MS, PA-C, Physician Assistant	Westheimer	All, SR

28th International Thyroid Cancer Survivors' Conference Schedule
Sunday, September 28, 2025

Session #	Session Title	Speaker(s)	Location(s)	Session Codes
349	Patient & Family Roundtable: Living with Graves' disease, thyroid eye disease, and Hashimoto's thyroiditis. Share your personal experience or stop by to get resources for a loved one! Satellite discussion hosted by the Graves' Disease & Thyroid Foundation.	Kimberly Dorris, Executive Director, Graves' Disease & Thyroid Foundation	Zoom	All, VO
2:30 – 3:30 p.m. CDT				
351	Clinical trials overview - what, why, and how. Moving science together with trials.	Jeffrey M. Blumberg, MD, FACS, Head & Neck Surgeon, and Siddharth Sheth, DO MPH, Medical Oncologist	Ballroom A	All, VP
352	Roundtable: Pediatric thyroid cancer survivor stories including ThyCa's sport pack project.	Pam Mendenhall, LISW, ThyCa Pediatric Support Moderator	Concorde A&B	Ped, VP
353	Medullary thyroid cancer roundtable: Continuing to share and care, and reflecting on the conference.	ThyCa Volunteer	San Felipe	M
354	Exploring systemic therapy options in thyroid cancer: A guide to toxicity monitoring and side effect management.	Christina Abouzid, APRN, Nurse Practitioner	Westheimer	A, Adv, H, M
3:40 – 4:00 p.m. CDT				
361	Conference wrap-up: Resources and next steps after the conference, your feedback on the conference, and suggestions for next year.	Gary Bloom, ThyCa Executive Director; and Colleen Dolinish, ThyCa Program Coordinator	Ballroom A	All
<i>Thank you for attending! We hope to see you again next year!</i>				

28th International Thyroid Cancer Survivors' Conference Schedule

September 26-28, 2025

A: Anaplastic | Adv: Advanced Disease
M: Medullary | N: Newly Diagnosed | Ped: Pediatric

All: Everyone | AYA: AYAs
PF: Papillary/Follicular | SR: Session Recorded

H: Hurthle/Oncocytic | IP: In-person Only
VO: Virtual Only | VP: Virtual Presenter
